What is a Marketing Package?

- 1 With a profile on Breakthrough Broker, when you enter in a new listing into your MLS, you will receive an email from Breakthrough Broker with your AMP.
- 2 This email will be your link to **10 marketing items** which have been created to market your new listing based on the information and property photos you submitted to your MLS.
- 3 A **flyer, postcard, door hanger, social media post and more** will be automated for your listing. Customize these templates using our robust editing engine.
- 4 **Print, ship, and share** your finished marketing items using our variety of delivery options. Check marketing your listing off your to-do list in a matter of minutes.
