Such a great job today, Eric. So happy to have been the sponsor. There was a lot of education in there. You gave great tips that agents can begin using right away! I learned a lot also... and social is my job =) Thank you!

WHAT RE PROS ARE SAYING ABOUT BREAKTHROUGH BROKER

What I love about BB is that there are so many choices for Realtors to really have a positive impact on their careers. Of course tools are only as good as the teaching to implement those tools and BB's skilled instructors make those tools usable.

BB is a great platform for new and seasoned Realtors, there's something for everyone. I'm looking forward to an exciting long journey with btb both as a user and hopefully one day as a presenter.

Where, Oh Where, do I start?! I LOVE Breakthrough
Broker... The thing I enjoy most is the ability to create
marketing materials with my likeness added. The
professional quality is second to none, and the added
humor gives such a tangible quality to them (specifically the
rent vs. buy postcard). Breakthrough Broker has given me
tools that I have been asking for! You have provided them
with ease. Thank you!!

- Danica T., Broker Associate

...thank you for the website. In fact, just because I found your site so useful, it has been the primary reason I sent my 2 transactions over to [Title Company]. I typically use [other Title Company]:))

- Dayoin P., Broker/Realtor

I LOVE Breakthrough Broker! The site is super easy to use. The layouts you have are classy and the colors are professional! I look forward to utilizing your services more and more!

- Lisa R., Broker Associate

I love the platform! It gives a different perspective than any of the generic marketing advice for real estate agents. True and factual and things that work.

Thank you!

- Nicole M., Realtor

Your content is great and the way you present it is light, fun, and effective! I look forward to more!
