HOW DOES IT WORK?

Your Custom Marketing Center will be the hub for your company's marketing needs. Each marketing center is designed around your brand. With a unique URL, it will become a destination for your agents to promote themselves and their properties. Agents can quickly and easily customize:

- Brochures including ledger size luxury brochures**
- Postcards**
- Door hangers**
- Social media graphics for Facebook and Instagram**
- Videos**
- Open house materials**

LEVEL THE PLAYING FIELD

Let's win the tech war by adding a Marketing Center to your brokerage's arsenal of weapons. Advanced features include:

- Profile jumping for administrators or assistants to access all accounts
- Mapping tool to create mailing lists and direct mail campaigns in minutes
- Press ready downloads for on-site or local printing
- Professional printing services with quick turn times and rush delivery options
- Share to Facebook, text, and email directly from the software
- Management reporting of marketing center usage
